Docket No. 0864 0:16CR00002-001(KES)

---

On June 6, 2016, New Hope, Minnesota, Police executed a traffic stop on a vehicle driven by the defendant. Inside the vehicle, the defendant possessed a cellular phone (which he was permitted to have) and two smart phones, which he is not allowed to have based on the terms of his probation. He was issued a warning for a Seatbelt Violation. On June 7, 2016, Mr. Abdulkadir reported the smart phones did not belong to him; however, he turned them into this officer. It appears neither smart phone is operational.

According to a report from the Bloomington, Minnesota, Police Department, following an incident on April 21, 2016, in which the offender was charged with Misdemeanor Theft, the defendant was on a No Trespass Order at the Mall of America until April 22, 2017. However, on July 6, 2016, he was found in the food court at the Mall of America. The defendant was arrested and charged with Misdemeanor Trespassing in Hennepin County District Court. The offender denied having knowledge that he was not allowed in the Mall of America until April 22, 2017.

SPECIAL CONDITION: The defendant shall participate in a location monitoring program for a period of 2 years. The defendant shall be monitored using voice verification, radio frequency, or global positioning system (GPS) technology as determined by the probation officer. The defendant shall be monitored under the following restrictions: The defendant is restricted to his residence at all times except for employment; education; religious services; medical, substance abuse, or mental health treatment; court obligations; or discretionary leave activities as approved by the probation officer. The defendant shall not be required to pay the costs of location monitoring.

On July 11, 2016, Mr. Abdulkadir submitted a request to work at his job on July 16, 2016. The request was approved. However, on July 16, 2016, he did not go to work and spent several hours in the Riverside area of Minneapolis, Minnesota, and Eden Prairie, Minnesota. He subsequently admitted that, without permission, he attended a wedding, then went to obtain work pants before planning to going to work.

PRAYING THAT THE COURT WILL ORDER that conditions of supervision be modified to include the following:
